Delete Claim 12, column 12, lines 12-13, and insert therefore the following claim.

--Claim 12. And article made by the polyester blend produced by the method of claim 11.--

REMARKS

The requested change was a result of an error on the part of Applicants as detailed below.

In the Amendment filed September 13, 2001, Applicants sought to amend Claim 15, and the marked-up version of Claim 15 correctly showed the amendment. However, Applicants mistakenly numbered and referred to Claim 15 as Claim 16 in the non-marked up version of the claims and in the Remarks section. Further, the amendment was entered by the Patent Office under Claim 16, not Claim 15. Applicants later canceled Claim 15 and the erroneously amended Claim 16 issued as Claim 12.

Original Claim 16 was an article claim and should not have been amended. Now, due to the erroneous amendment, Claim 16 (issued Claim 12) is a redundant method claim. Also, original Claim 17 was an article claim depending from original Claim 16, but now Claim 17 (issued Claim 13) is an improper article claim depending from the "method" of issued Claim 12. Accordingly, correction of issued Claim 12 is believed to be warranted. Therefore, the correction herein deletes the erroneously amended Claim 16 (issued Claim 12) and replaces it with the original, unamended Claim 16.

APPLICATION SERIAL NO.: 09/628,623

Correction of this error does not involve a change in the patent so as to constitute new matter or to require reexamination. Applicants therefore respectfully request issuance of a Certificate of Correction.

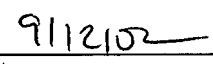

Because the error was on the part of the Applicants, the \$100.00 fee for the Certificate is enclosed. The payment is to be charged to a credit card and is authorized by the signed, enclosed document entitled: Credit Card Payment Form PTO-2038. No further fee is believed to be due; however, the Commissioner is hereby authorized to charge any additional fees, which may be required, or credit any overpayment to Deposit Account No. 14-0629.

Respectfully submitted,
